About Everywhere

Everywhere is a consortium of 17 partners from 8 European countries including: Italy, France, Poland, Cyprus, Slovenia, Hungary, Spain and the United Kingdom. Coordinated by the University of Brighton, Everywhere partners are all involved in public health/health promotion work. Consortium members include public health organisations, academic institutions, NGOs active in HIV issues, and organisations that unite gay business owners.

Aims of Everywhere

The Everywhere Project aims to develop and validate a model of good practice in HIV prevention that can be applied across Europe. This will target Men who have Sex with Men (MSM), particularly those in gay tourist destinations.
