

# Discover the secret to SRPP\*

**Tailor Your Procurement Documents:** Customise procurement documents to include social responsibility criteria.

**Spell Out Social Clauses:** Clearly **define social clauses** in tender documents so everyone knows and understands the social goals.

**Tap into Expert Insights:** Collaborate with **domain experts or dedicated support spaces** to set impactful and realistic social targets and metrics.

**Craft a Reporting Blueprint:** Create a straightforward plan for reporting social outcomes, including how **to collect and analyse data**.

**Track & Measure Success:** Keep tabs on results and collect data to meet **social targets**.

\*SRPP stands for Socially Responsible Public Procurement.
