

COUNCIL REGULATION (EEC) NO 2081/92
APPLICATION FOR REGISTRATION: art.5 () art.17 (✓)

PDO () PGI (✓)
National file No : 00918A.....

1. Competent service of the Member state : UNITED KINGDOM
Name : MINISTRY OF AGRICULTURE, FISHERIES AND FOOD
Tel. 071 238 6702 Fax : 071 238 6763
2. Applicant group :
 - a) Name: The Herefordshire, Worcestershire and Gloucestershire Cider and Perry Makers
 - b) Address : C/o G C Warren, H Weston and Sons Ltd.
The Bounds, Much Marcle,
Herefordshire, HR2 2NQ.
 - c) Composition : producer / processor (12) other ()
3. Name of product : HEREFORDSHIRE CIDER
4. Type of product : (see list) CIDER CLASS 1.8
5. Description of product : summary of requirement under Art. 4 (2)
 - a) name : see (3)
 - b) description : A traditional cider prepared by fermentation of locally grown cider apples with up to 25% perry pear juice, exhibiting rich apple flavours with marked astringency and a balance between sweetness and bitterness.
 - c) geographical area : The County of Herefordshire
 - d) background : Only juices from locally grown varieties of traditional cider apples and perry pears are used to produce cider in Herefordshire.
 - e) acquisition : Fruit is pressed to obtain the juice. Sugar content and acidity is adjusted as required. The juice is fermented naturally or using cider yeast for a period of up to 3 months. The cider is then racked off and matured for up to 6 months. Product is then filtered, centrifuged and or clarified.
 - f) link : Cider is produced in the county using traditional, local apples and pears which give the cider its unique fruity flavour supported by characteristic bitterness and astringency.
 - g) control : Name : The Herefordshire, Worcestershire and Gloucestershire Cider and Perry Makers.
Address : As above
 - h) labelling : PGI
 - i) national legislation requirements (where applicable)

TO BE COMPLETED BY THE COMMISSION

EEC No : ...0213/94. 01.24.

Date of receipt of full dossier by EEC : .../.../... 10. 04. 95

3. Name of product : Herefordshire Perry
4. Type of product : (see list) Perry Class I.8.
5. Description of product : summary of requirement under Art. 4 (2)
 - a) name : see (3)
 - b) description : A traditional perry prepared by fermentation of locally grown Perry pears with up to 25% cider apple juice, with a soft slightly floral flavour and pale colour with positive astringency softened by residual sweetness (Sorbitol)
 - c) geographical area : The County of Herefordshire
 - d) background : Perry pears and Cider apples have been produced in the local area for over 400 years and these are used in the production of Herefordshire Perry.
 - e) acquisition : Fruit is pressed to produce juice, sugar content and acidity is adjusted as required. The juice is fermented naturally or by the addition of the yeast for a period of up to 3 months. The perry is then racked off and matured for up to 6 months. The final product is filtered and/or clarified.
 - f) link : The perry is produced in the County using traditional, local pears, and cider apples which give the perry its unique fruity flavour and aroma allied with a typical astringency and bitterness.
 - g) control : Name : The Herefordshire, Worcestershire and Gloucestershire Cider and Perry Makers.
Address : As above
 - h) labelling : PGI.
 - i) national legislation requirements (where applicable)
