Is a 2 years deployment project implemented in 13 countries, involving 4 sending organisations (AAH, AADK, Alianza, WWGVC) and 15 hosting organisations (AA Myanmar, Nepal, Kenya, Zambia, Zimbabwe - Alianza Colombia, Haiti, Jordan, Palestine, Mauritania - WWGVC Tunisia, Cambodia, Nepal, India - PPSA Cambodia). VOLEAD aims at improving the resilience capacities of vulnerable communities in disaster and crisis affected areas in Middle East, South and Southeast Asia, North, Northwest and Southeast Africa, Central and South America. VOLEAD methodology on resilience building will be based on ActionAid’s HRBA and Humanitarian Signature, focusing on equal participation and leadership of women and youth in decision making related to DRR and LRRD, as well as on needs assessment results implemented by all HOs. Outputs, activities and results to achieve the VOLEAD’s goals, 58 qualified EU Aid Volunteers (12 senior, 46 junior) and online volunteers will be deployed in the participating HOs. SO1’s deployment and capacity building activities will result in strengthening the resilience and response of vulnerable communities based on gendered and youth-oriented approaches in Asia; SO2 in Africa; and SO3 in Central and South America. SO4’s technical and capacity building activities will result in enhanced capacities of partners and local organisations on promoting
