* Further to Decision No 2/12 of the ACP-EU Council of Ministers of 15 June 2012 to approve the request of the Republic of South Sudan to accede to the ACP-EU Partnership Agreement and to grant observer status valid until 20 November (<http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=OJ:L:2012:175:0001:0002:EN:PDF>), proposals submitted by entities established in the Republic of South Sudan or for actions involving South Sudan as action location are eligible under the present call for proposals. The signature of any resulting grant contract will be subject to the completion of the accession procedure by the Republic of South Sudan.

** Further to the non-ratification of the revised Cotonou Agreement by Sudan and Equatorial Guinea, these countries can only be included as action location in the context of an action having a regional scope, if their participation is indispensable for the implementation of such actions. This will be examined on a case by case basis, taking into account the justification provided by the applicants concerned, during the evaluation procedure.
