- ▶ **Most regionalised MS leave the choice of applying CLLD to regional authorities, so that:**
 - In Austria, Germany, France, Italy, Poland, Spain only 1 or 2 regions are actually applying CLLD outside EAFRD/EMFF
 - There can be significantly different approaches e.g. to multifunding or Lead Fund within the same MS (e.g. UK)
- ▶ **Finland applies CLLD also from national budget in urban areas**
- ▶ **Malta has CLLD only in EAFRD, but envisages integration with an SME support instrument under ERDF**

- ▶ **Coordination mostly aims to avoid overlap/double funding, but there is not much information on how synergies will be achieved**
- ▶ **Measures to ensure a coordinated approach include:**
 - Joint MA for all CLLD Funds (SE)
 - Joint body with delegated responsibilities (DK)
 - Joint Monitoring Committee (UK Sc)
 - Nominating a „Lead Ministry” (SK)
 - National Permanent Conference (CZ)
