

WG3: Monitoring and Evaluating FLAG Work

Other monitoring and evaluation options...

- **Interviews** are good way of obtaining detailed feedback.
- **Case studies** are good way of evaluating several perspectives.
- **Peer-to-peer learning** techniques are good for critical reflection.
 - **Audits**
 - **Committees**
 - **Workshops**
 - **Events**

Other monitoring and evaluation options...

- **Focus groups** which include a diverse range of target groups can develop rich data (e.g., promoters, beneficiaries, consumers, board members discussing the same questions).

Reflect and exchange on...

- **Why** is it important to monitor FLAG work?
- **What** areas of FLAG work do you want to monitor?
- **Who** do you want to ask for feedback?
- *What **tools** are most useful?*
