

Introducing the "Cooperation Clinics"

FARNET Online Seminar:

Better Local Strategies around the Baltic Sea and in Inland Areas

24-26 March 2021

Why go to the Cooperation Clinics?

- ✓ To help make a cooperation project idea more concrete
- ✓ To address issues arising during the implementation of cooperation projects
- ✓ To ask questions!
 - how to organise first partners' meeting
 - how to draft partnership agreement
 - how to monitor each participants' tasks...
- ✓ To exchange **your** experience, share doubts or concerns about cooperation projects

Reminder: stages of cooperation projects

- Identify need or opportunity
- Develop project idea
- Find suitable partner(s)
- Organise the first partners meeting
- Agree objectives, tasks and responsibilities
- Prepare cooperation proposal
- Conclude cooperation agreement (including financial commitment)
- Implement the project
- Monitor progress, assess results

Cooperation Clinics (starting at 12.00)
