

This page provides an overview of [ESSnet Big Data meetings](#) and [meeting minutes](#) (click on the links), for the **Coordinating Group (CG)** of the project as a whole and of the two tracks, for the **Pilots Track** and the **Implementation Track**, and for each of the **workpackages (B to L)**. Within each subsection, meetings are presented *chronologically*, with the latest one on top. An **alphabetical list** of meetings can be found [here](#).

See also the overview of all [WebEx meetings](#) (status 19 March 2019) and [physical meetings](#).

Meeting page or file names consist of these parts: **scope/organiser** (Kickoff, Coordinating Group (CG), WPB to WPL), **date** (YYYY MM DD-DD), **Location** or **Virtual** if via WebEx, and as the case may be **meeting type** if not a regular meeting (e.g. Sprint, Workshop) and **type of document** (e.g. Agenda, Presentation, Minutes).
