

WP7 Multiple domains

Workpackage 7 (WP7) of [ESSnet Big Data](#) aims to investigate how a combination of big data sources, administrative data and statistical survey data may enrich output in the statistical domains of population, tourism and border crossings, and agriculture.

WP7 is carried out by representatives of four [ESSnet Big Data partners](#): GUS (Statistics Poland) which is leading WP7, CBS (Statistics Netherlands), CSI (Statistics Ireland) and ONS (Statistics UK).

More background information on WP7 can be found [here](#).
