

This page provides practical information on the [meeting](#) of [WPH Earth observation](#) in **Olsztyn (PL)** from **26 to 28 June 2019**.

Accommodation

There are many hotels in Olsztyn, most of which can be booked via [booking.com](#). However, because the time left before the meeting is rather short and the end of June is the start of the summer season, finding appropriate accommodation may be problematic. So rooms were booked in advance for participants in [<http://www.yachtclub.tiffi.com> Tiffi Boutique Hotel], at the offered price which can be found [here](#). If you decide to stay at this hotel, please contact the hotel directly using the following e-mail address: recepcja-tbh@tiffi.com, cc ac@tiffi.com, referring to the reservation number **AU777**. These pre-bookings are **guaranteed until 23 June 2019**.
