

GSC stands for **E**uropean **GNSS** **S**ervice **C**entre.

GSC is set to be an integral part of the European [GNSS](#) infrastructure and provides the single interface between the Galileo system and the users of the Galileo Open Service (OS), and the Galileo Commercial Service (CS). The GSC is conceived as a centre of expertise, knowledge sharing, custom performance assessment, information dissemination and support to the provision of value-added services enabled by the Galileo OS and CS core services.^[1]
