

IATE stands for **Inter-Active Terminology for Europe**, formerly **Inter-Agency Terminology Exchange**^[1].

IATE is the EU inter-institutional terminology database.^[2]

IATE has been used in the EU institutions and agencies since summer 2004 for the collection, dissemination and shared management of EU-specific terminology.

It contains a huge amount of information - terms, definitions, notes, terms in context, all arranged by concept - in multiple languages
