

This is a *stub page*, in other words an article too short to provide more than rudimentary information about a subject. Anyone can edit a stub article, or remove a stub template from an article which is no longer a stub.

**ICB** stands for **Industry Classification Benchmark**

The *Industry Classification Benchmark (ICB)* is a definitive system categorizing over 70,000 companies and 75,000 securities worldwide, enabling the comparison of companies across four levels of classification and national boundaries.<sup>[1]</sup>

This benchmark is used by other companies such as [STOXX](#) or IHS Global Insight.
