Financial Information

The **Coordinator/beneficiary Financial Information** is automatically listed after receiving the invitation letter.

💡 Please check all information and update, if necessary.

⚠️ **For the types of action for which the article "Implementation of action tasks by beneficiaries not receiving EU funding"\* is applicable, a distinction is being made between:**

Partners (Beneficiaries and Linked Third Parties) **eligible for funding but requesting zero funding** (beneficiaries that decided not to request any funding) and those that are **not eligible for funding\*\***.

\* This is Art.9 (for H2020), Art. 14 (for H2020 FPA), Art. 7 (for H2020 SGA), Art 8a (for non-H2020), Art. 13a (for non-H2020 FPA) and Art. 6a (for non-H2020 SGA)

\*\* The **'beneficiaries not eligible for funding'** are beneficiaries which:

are **NOT** from an EU Member State, H2020 associated country or third country listed in General Annex A to the H2020 Work Programme

**AND**

were **NOT granted exceptional EU funding** by the Commission/Agency (during the selection procedure)

Please note that the eligibility criteria may vary according to the type of action and the rules for participation.

Financial Data

Consequently:

1. if the partner is eligible for funding but decides not to request funding, the "requesting zero funding" has to be flagged by the Partner or the Project Officer (PO)

Participates as 'not receiving EU funding (requesting zero funding)

When the "requesting zero funding" check box is selected, a simplified Cost Breakdown table will appear allowing the editing only of the Total costs. In case the user had filled in the rest of the Cost Breakdown information, this will be wiped out, except for the Total Costs (as the Cost breakdown information is not displayed).

Financial Data

Use of Costs of in-kind contributions not used on pre-awards?  Yes  No 0,00 €

Use of Costs of in-kind research infrastructure in the grant?  Yes  No

Participates as not receiving EU funding (requesting zero funding)  Estimated total cost: 150200 €

2. if the partner is not eligible for funding, the "not eligible to receive funding" flag is automatically set and only the PO can authorise/voke the granting of exceptional funding.

Participates as 'not receiving EU funding' (not eligible for funding)

In both cases, the setting of the flag leads to the activation of Article 9 in the GA Options screen. In particular, this article is automatically activated for Partners not eligible for funding (typically partners from OCEF countries and International Organisations).

The screenshot shows the 'Grant Agreement Options' screen in the Horizon 2020 system. The top navigation bar includes tabs for Project Summary, Beneficiary, General Information, Reporting Periods, GA Information, GA Options, Financial Information, IF Overview, Mark Packages, Deliverables, Milestones, Reviews, Critical Risks, and Ethics Info. The 'GA Options' tab is active, and the 'GA Options' icon in the top bar is highlighted with a red circle. Below the navigation bar, a list of articles is displayed. Article 9, 'Beneficiaries not receiving EU funding', is highlighted with a red box. The list includes various articles related to equipment costs, research infrastructure, and access rights.
