

Please note that a manual selection of the types is not needed!

Types are automatically selected by modifying the relevant data in the Grant Agreement data tabs.

 It is mandatory to do at least one modification and to provide a justification in the **Amendment information** tab.

*Connected amendments - FPA amendments automatically added by the system to all connected SGAs (e.g. as soon as an FPA amendment concerning the addition of a beneficiary is signed by both parties, the system issues a "connected amendment" and the beneficiary is also added (as 'inactive') to all signed SGAs connected to the FPA)

**** Amendment types also available at the end date of the project (NOT after the final payment) or after the termination date**
