Institutions I agree to work with:

- ☐ EU institutions and bodies
- ☒ Other EU Institutions (European Parliament, European External Action Service, European Council, Court of Justice of the European Union, European Central Bank, European Investment Bank, European Court of Auditors, European Committee of the Regions, European Economic and Social Committee, ...)
- ☒ Research funding bodies with a public service mission, based in the EU/EEA countries (other than EU institutions and bodies) or in third countries, associated to Horizon Europe or to other EU funding programmes, for which the Commission has adopted an adequacy decision
- ☐ Research funding bodies with a public service mission, which are based in third countries, associated to Horizon Europe or to other EU funding programmes, for which the Commission has not adopted an adequacy decision¹

1. An 'adequacy decision' recognises that a third country offers data protection standards equivalent to the ones in the EU/EEA countries. In principle, the transfer of personal data to non-adequate third countries is much more risky compared to EU/EEA countries and adequate third countries. Therefore, given the risks, in the absence of an "adequacy decision", your data may be transferred to a third country if you have provided your explicit consent

I agree to work on :

- ☒ All programmes and sub-programmes of the above selected EU and non-EU institutions.

If you are contacted for tasks that are beyond your competences, you can always decline to work on these tasks with no further consequences.

3. To access which institutions or bodies can see your profile, check or uncheck the box(es) beside each of the option(s) to indicate for which institutions you want your profile to be available.
