The periodic scientific report must include information about the scientific progress of the work. By completing the fields on this screen, a list of keywords can be submitted.

Please see the Annotated Grant Agreement under the [reference documents](#) on the Funding & Tenders Portal for more information.

The Keywords screen includes a text box to be completed by beneficiaries with a list of keywords, comma-separated. The field can contain up to 4000 characters.

To enlarge the box and edit the text in a separate window, click the  button.
