EU Commission DG Research & Innovation first Blue Economy Business and Science Forum - Hamburg Summit 12th & 13th September, 2016

Published on: Thu, 07/07/2016 - 09:43

Join us for the first **Blue Economy Business and Science Forum - Hamburg Summit** on the 12th & 13th September, 2016 where leaders and professionals who are passionate about the Blue Economy will examine opportunities and barriers to innovation while celebrating scientific and industrial achievements.

Enjoy two full days of inspiring talks and discussions at the International Maritime Museum, Hamburg, including key note speeches from EU Commissioner for Research, Innovation, and Science Carlos Moedas and EU Commissioner for Maritime Affairs and Fisheries, Karmenu Vella. The wide range of speakers and panellists can be viewed on the Summit programme available [here](#). [1]

The **Blue Economy Business Awards 2016** will also be hosted during the Summit's Gala Dinner which aims to showcase the excellent practices from industry and to recognise and reward individuals and organisations that have made a specific contribution to developing innovation in the Blue Economy. More information on the Blue Economy Business Awards 2016 is available [here](#). [2]
