

MARITIME FORUM

University of the Highlands and Islands (UHI) Marine Renewable Energy Research Day at the European Parliament in Brussels on 30 November 2016.

Published on: Sun, 06/11/2016 - 13:40

The University of the Highlands and Islands (UHI) are holding a Marine Renewable Energy Research Day at the European Parliament in Brussels on 30 November 2016.

The agenda will focus on the following themes, with contributions from the European Commission, Ocean Energy Europe, Scottish Government, European Investment Bank and Highlands and Islands Enterprise:

- **Outlook and perspectives for the marine renewable sector in Europe**
- **The MERIKA project: University of the Highlands and Islands research contributions to the marine renewable energy sector**
- **Marine renewable energy as a catalyst for regional economic development**

Full details on the agenda and event registration is available [here](#) [2].
