Published on: Thu, 05/03/2020 - 13:55

*Are you between 16 and 30 years old and passionate about the Ocean? Do you live by the Atlantic Ocean, the Mediterranean, the Black Sea, the Baltic Sea or the Arctic? We would like to hear your ideas for the development of our Youth4Ocean Forum.*

We are carrying out interviews all over Europe to create the [Youth4Ocean Forum](#) [1], as part of the [EU4Ocean Coalition](#) [2] supported by DG Mare.

The European Ocean Coalition (EU4Ocean) connects diverse organisations, projects and people that contribute to ocean literacy and the sustainable management of the ocean.

The Youth4Ocean Forum will allow young people to be inspired by their peers, showcase their projects and amplify their impacts, and contribute to finding solutions to climate change, food security and social changes. It will be created for the Youth, with the Youth; with the interviews serving to understand the needs of young Europeans.

Are you between 16 and 30 years old and passionate about the Ocean? Do you live by the Atlantic Ocean, the Mediterranean, the Black Sea, the Baltic Sea or the Arctic? We would like to hear your ideas for the development of our Youth4Ocean Forum. If you would like to share your ideas with us, please contact [projectofficer@nausicaa.fr](mailto:projectofficer@nausicaa.fr) [3] by 15 April 2020.
