# Thematic Working Group (TWG) 1: Improving the international ocean governance framework

Published on: Wed, 15/04/2020 - 15:30

The Thematic Working Group (TWG) ***Improving the international ocean governance framework*** focuses on key opportunities and points of action in which the EU can play a leading role to strengthen international ocean governance. It will address issues such as: **gaps** in the international ocean governance framework; ocean governance in a **fast-changing climate**; the potential for **coordination and cooperation** to strengthen the ocean governance framework; and **preconditions for effective ocean governance** including individual and institutional capacities and stakeholder engagement.
