

## MARITIME FORUM

# Atlantic Adventures with ATLAS Dynamic Earth Full Show

Published on: Tue, 18/05/2021 - 12:17

*Science show*

General public, children 5-12 y.o.

Language: English

Duration: 25 min

Organised by **Atlas Project [1]**

With a video explaining the ATLAS project, find out how and why oceans are important and learn how scientists and engineers work at sea.

Discover the technology used for exploration of the deep-sea and the challenges posed by deep water.

Learn about cold-water corals, how they feed and how bottom trawling for fish damages them and discover the marine protected areas.

**Script and information pack for teachers [2]**

## Back to Ocean Literacy Festival programme
