Sectors: (Cross) Fisheries, marine biotechnologies, maritime, coastal and cruise tourism, maritime transport, ports and shipbuilding sector, marine renewable energies

Intellectual Property is a key topic for ocean entrepreneurs. What you do (or don't do) in relation to your IP can significantly impact on your investment objectives.

The BlueInvest workshop at Sealogy will focus on how to use IP as a tool for investment-readiness.

Here are the highlights:

- An IP expert speaks about what you need to know about IP to use it to your advantage
- An Investor talks about what makes a convincing IP strategy
- Finetune your strategy - have your questions answered by our IP expert and investor
