Macroalgae and microalgae production facilities

- What is the closest macroalgae production facility to where you live?
- What are its geographical coordinates? (*Hint: Activate the Measures tool under 'Advanced features' in the menu and use this tool to find the geographical coordinates*)
- Is it aquaculture or harvesting? (*Hint: Look at the legend of the map*)
- Who is the owner of this facility? (*Hint: Click on the facility*)
- What is the concerned algae species?
- What are macroalgae used for? (*Hint: Read the description of the map by clicking on i under map layer*)
- What are the different production methods of microalgae? (*Hint: Look at the legend of the map*)
- Where is the closest microalgae production facility to where you live? What is the concerned species?
