We are pleased to announce that the final Forum event will take place on **Monday 7th November** 13:30-5.30pm at [The Egg Congress & Meeting Centre](#) [2] in Brussels, followed by a reception.

This final event will be a look-back at the journey of the Forum in the production of the Strategic Roadmap and also a look-ahead at how **you** can help realise the Roadmap's ambitions. Please register your attendance at the **Forum's final event** [here](#) [3]. The closing date for registration is 27th Oct 2016.

In addition, the Secretariat is pleased to announce the inclusion of the Ocean Energy Forum Strategic Roadmap at **Ocean Energy Europe's** (OEE) 2016 Conference's [High-level Keynotes session 11:30-13:00](#) [4] on Tuesday 8th November 2016, also at The Egg venue. This OEE session will mark the official handover of the Strategic Roadmap from the industry to the European Commission, with the Roadmap being publicly available thereafter. *Forum members are able to attend the OEE High-Level Key Notes session through a **special session access pass**, which can be obtained using this [dedicated link](#) [5]. **Important:** Visiting the OEE exhibition or attending other conference sessions is **not possible with this special session access pass** - for this, an OEE2016 delegate pass can be purchased separately.*

Forum Final Event Overview 07 November 2016

To ensure a dynamic event that looks forward to what the Strategic Roadmap could mean to the various stakeholders and how we can make this work (Industry, Public Authorities, Commission), the event is split into 3 mini-panel debates. During the debates, the Work-Stream Chairs will briefly introduce their relevant Strategic Roadmap Action Plans with reactions from the representative panel stakeholders. After reactions from the panelists, the panel Chair moderates a discussion between panelists whilst bringing in questions from the floor.
