

The children sit in the rear seat, always wearing a seat belt

It is forbidden for children to sit in front of the passenger, if they wish so.

Children under the age of 13 must sit in the rear seats

Up to 2,5 years it is considered safer for children to sit down in unfitting seats

We never sit in the car with the child hugging even if we are tethered.

The children are not upright or kneeling in the back seats, or have hands, head outside the windows!

In the event of an accident the child acts as an airbag
