Microdata Access Workflow Tool

In order to use the workflow tool you need to have an EU login account allowing two factor authentication. That means that you must register your mobile phone number in your EU-login account or install EU-login application on your smartphone, see instructions here:

https://ec.europa.eu/eurostat/documents/203647/771732/EU_Login_Tutorial/ ^[1]

All EU login accounts have to be validated by us. If your account is blocked, please write to estat-microdata-access@ec.europa.eu ^[2] in order to have your account validated.
