

How to enter a NEW regulated profession?

1. Find a 'profession' to which to attach your new regulated profession:
 - if more than one is found, take the most relevant one;
 - if none is found, contact GROW-REGULATED-PROFESSIONS@ec.europa.eu
2. Click on the 'add' icon 
3. Enter data
4. Submit. A confirmation screen is shown.
The system searches for similar regulated professions in your country to avoid duplicates.
5. Confirm. The regulated profession is created. It is now visible to all coordinators of your country.
6. Validation by the Commission.
The regulated profession is now visible on Europa.
